Academic Materials

- V** **Purchase School Supplies**
See the **Back-to-School Information Page** for school supply lists and further purchasing information.
- V** **Purchase VPA Uniform**
The VPA uniform is an essential part of our identity and unifies students as one community of learners. Please review the **Uniform Guide** for details on required items and expectations. Uniforms may be purchased through **Lands' End**.
- C** **Purchase Grade Level Bundle**
The Grade Level Bundle includes a loadable student ID, planner, House t-shirt, classroom packets, and required music, art, and science classroom supplies. **Basic school supplies are not included.**
- C** **Purchase Consumable Book Set**
Veritas encourages students to build personal libraries throughout their VPA careers. Students should have clean copies of each text so they can annotate as they read and prepare effectively for seminar.

High School Only

- C** **Purchase College Counseling**
College Counseling provides individualized advising, college search seminars, PSATs (grades 10–11), junior College 101, and senior support with transcripts, essays, and applications.
- C** **Purchase Annual Parking Permit — Student Drivers Only**
Student drivers must purchase and display an official parking permit to park on campus. **The parking permit must be renewed for every new school year.**

Support Our Community

- V** **Designate VPA Community Investment**
Our academy thrives because of parent philanthropy; Community Investment bridges the gap between public funding and the true cost of a Great Hearts classical liberal arts education. While the recommended gift is \$1,500 per student (\$125/month), gifts of any size are meaningful and make a real difference.
- M** **Create / Confirm MTK Account**
We use Membership Toolkit (MTK) as our Parent Service Organization (PSO) family directory and for volunteer sign-ups, ticket sales, and spirit wear purchases. **All families are asked to create an account.**
